

Ali Abbas

ASP.NET & Android Developer

Pakistan | **Ph:** +923144101585 | **E-mail:** aliabbasinayatali@gmail.com

As a computer science graduate with a passion for design and development, I seek to bring my expertise to a forward-thinking company that values innovation. With strong logical thinking and problem-solving skills, I am confident in my ability to create engaging products that positively impact users. I am eager to contribute my skills and creativity to a team that pushes the boundaries of technology.

PROFESSIONAL EXPERIENCE

Throughout my career, I've undertaken diverse roles encompassing software design, development customer experience enhancement, Database management, and UI/UX designing.

Android App Development for Hauler Tech Logistics
